

Elimedical to donate 10% of June Sales to Fort McMurray Relief Effort

Inge and Inga – Elimedical News Bureau

This year Elimedical is celebrating its 10th year of business. We are grateful for the support of our many customers across the country who have helped us grow our business.

There is great need to support the ongoing Relief Effort in Fort McMurray. **Elimedical will be donating 10% of our June Sales to the Relief Effort.** Currently both the Governments of Canada and Alberta are offering to match any funds donated to the Relief and Recovery Effort through the Canadian Red Cross. What we donate will then become 3 times that

amount in aid offered to the many deeply impacted by this fire.

With your support by continuing to buy Elimedical products, trying some additional Elimedical products, stocking up a bit ahead of summer, or if you don't currently use any of our products (complete listing on back of this document), trying some of our products for the first time, we, together, can help make a difference to the many people in Fort McMurray and area that will need others to support them in rebuilding their lives and community. **Thank you**

ELIMEDICAL PRODUCTS IN STOCK

Product Description	Elimedical Code	Pieces Sales Unit	Unit Price C\$	Code
